COMMUNICATION FOR WHICH NO FORM IS APPLICABLE

As part of a Combined Submission filed by Applicants on March 1, 2005 with the U.S. Receiving Office of the PCT for the above-identified application, applicants submitted an executed Declaration of Inventor (Replacement Sheet 3 of the Request). Subsequent to this submission, the International Bureau issued an Invitation to Correct Declaration mailed March 7, 2005, and in response, on March 29, 2005, Applicants provided, by facsimile, a copy of the as filed Combined Submission that contained the executed declaration of the inventor.

Following these submissions, Applicants noted that the executed Declaration contained an incorrect filing date of 9 January 2004 for the prior application (GB 0400334.9). Applicants therefore obtained a newly executed Replacement Sheet 3 of the Request providing the correct filing date of the prior application (8 January 2004), a copy of which is enclosed herein.

Applicants respectfully request that this corrected Replacement Sheet 3 of the Request be made of record in this application. A confirmation copy of this transmission is being sent via airmail.

Respectfully submitted,
